TEN CENTS PER WEEK

GREATEST CROWD ATTENDS REVIVAL ON SUNDAY NIGHT

Prayer Service at Conclusion
of Meeting is Inspiring
Sight.

Mr. William McEwan Sang two
Songs.

MR. JACOBY'S BIG MEETING.

A crowd that packed the Auditorium, Tenth street and Broadway, before the services commenced, heard Dr. Torrey last night. Hundreds were turned away, and scores more for prayers. The after meeting was the largest demonstration of the revival, which is on its last week. Mr. McEwan sang two beautiful solos last night, his sweet tenor voice, melting the hearts of his listeners.

In the afternoon Mr. Jacoby, who had put in a busy day, speaking at the First Presbyterian Sunday school at 9:30 and at the Broadway Methodist church at 10:45, addressed an immense audience of men at the auditorium. He told his own life story and his recital greatly moved his audience last night.

Dr. Torrey's subject was "Heroes and Cowards."

He said:

"The fear of man bringeth a snare."—Proverbs xix, 23.

I have a long text tonight, in fact three texts. The text is the host part of the sermon. If a sermon is better than the text it is a poor sermon. A good sermon is simply an exposition of the text. You will find the first text in Proverbs xix, 23. The fear of man bringeth a snare. Whatever your views about the inspiration of the Bible may be, you know that this verse is true enough, anyhow. How many times we have seen that statement of God's Word fulfilled. How many a man and woman in Paducah tonight has been snared by the fear of man, and ruined for time and eternity. For example, how many a young man has come to Paducah a pure, innocent, upright, temperate young fellow, and intended to lead a sober, honest, upright life in this great city. He knew something about the perils of drink, and was wise enough not to touch it; and he came to Paducah intending to be what every man and woman ought to be a total abstainer. One night this young man goes out to dinner, and the gentleman at the head of the table urges him to take a glass of wine. But this young man refuses; he says, "I never drink." The gentleman laughs at him, the other people at the table chaff him, some say that he is insulting the host or hosts by not drinking to their health, and the fear of the man brings him into a snare. He takes his first glass of wine, and that leads on to another and another and another, and tonight he is a drunkard on the streets of Paducah because of the fear of man, reputation gone, manhood gone, brain power gone, business capacity gone, everything gone; the fear of man has proved his temporal and eternal ruin. How many a young fellow comes up to this city of Paducah, an honest young man, who has never gambled in his life. He plays an occasional friendly game of cards; but one night, after work, he is out in the company of a few friends, and they are playing cards as usual, and some one of the group suggests that they should put up a little stake, only a small amount, just to make the game interesting. The young man hesitates, but they say, "You don't need to gamble, it is only three pence or sixpence either way; we are not going to play for high stakes." He says, "I never gamble; I believe it is dishonest." But they laugh at him, and chaff him, and tell him he should go along to Sunday school; and he cannot stand their chaff, and he puts up his first threepenny bit on a game of cards. The passion of the gambler, which is a more consuming passion than that of strong drink and more ruinous, takes possession of him; he robs his employer, and today he is in prison, because the fear of man led him to gamble, and ruined him utterly.

Experience of a Girl.
How many a young girl has come up here from the country, a modest, sweet, bright—"Heroes and Cowards."

Monday night—"Fear of Man."

Tuesday night—"Refugees of Lies."

Wednesday night—"The World or Christ."

Thursday night—"A Startling Question for Those Neglecting Christ."

Friday night—"Excuses."

Early Execution For Dr. Crippen, Program of English Judge, Who Set His Hanging For November 8th

BLUEFIELDS SIGHTED.

Havana, Cuba, Oct. 24.—The Bluefields, of the Vavarr line, eight days over due at New Orleans, and given up for lost, reported here today, ending a thrilling voyage through the recent hurricane.

Innocent girl, but without firm Christian principles. She lives in very poor lodgings; and, seeking for a little gaiety and a little brightness in her humdrum life, she goes occasionally to the theater, goes to dances and gatherings of that sort. She becomes quite infatuated with the dance, and one night, a very pleasant and attractive young fellow, with whom she has become acquainted at the dance, makes a subtle suggestion to her that she does not exactly understand, but at which her modesty revolts, and she repels it with indignation. But he laughs at her. "Why," he says, "you don't understand. I don't mean any harm at all; it is quite a common thing." And the girl has learnt to permit familiarity which no modest girl would allow herself to permit—for the ballroom admits of familiarity which is permitted by decent people nowhere out side of the ballroom. It is the first step to a blasted life, and that girl tonight is an outcast on the streets of Paducah. The fear of man has brought a snare which has ruined her.

My next text is in John xii, 42 and 43: "Nevertheless among the chief rulers also many believed on Him, but because of the Pharisees they did not confess Him, lest they should be put out of the synagogue. For they loved the praise of men more than the praise of God." Now that was written about Jerusalem in Christ's time, but it sounds just as if it were written about London today. How many men there are in London, leading men, just like the chief rulers of Jerusalem, who believe in Jesus Christ in their hearts, but they do not confess Him with their mouths for fear of what men will say of them for they love the praise of men more

London Uxoricide, Convicted Saturday of First Degree Murder, Must Pay Penalty For His Crime.

London, Oct. 24.—Following a conference with the prison authorities Chief Justice Alderson, today definitely claimed Tuesday, November 8, as the date for hanging Dr. Crippen, convicted Saturday of the murder of his wife, Belle Elmore. Dr. Crippen has recovered composure and still protests his innocence. His attorneys are ready to appeal the verdict. The court criminal appeal is not expected to interfere with a lower court's decision.

MRS. AGNES GRIMES

DIES AT FELTON AT 11:30 SUNDAY NIGHT.

Mrs. Margaret Murray, Her Sister-in-Law, Receives the News.

Mrs. Margaret Murray, 321 Monroe street, received word last night of the death of her sister-in-law, Mrs. Agnes Boyd Grimes, at the home of her son, Mr. Lloyd Grimes, in Fulton, at 11:30 o'clock Sunday night. Mrs. Grimes had been ill for some time, but it was not known that her condition was critical, and the news of her death was a shock to relatives here.

Mrs. Grimes was one of the older citizens of Paducah and had lived here all of her life until a few years ago, when she went to Fulton to reside with her son, who is traveling manager for the Tennessee division of the Illinois Central railroad. She was a daughter of the late Major Alfred Boyd, brother of the Hon. Linn Boyd, a prominent Mexican war and Confederate veteran. She was the widow of the late James T. Grimes, a well-known Paducah citizen.

Mrs. Grimes was a woman of many lovable characteristics and strong Christian character. She was a member of the First Christian church of this city and has a large circle of friends here. She is survived by only two children, Miss Helen Grimes and Mr. Lloyd Grimes, both of Fulton, and one sister, Mrs. C. S. Small, formerly of Paducah, now living in Oklahoma. Mrs. Margaret Murray and Mrs. Mary Murrell, of this city are sisters-in-law.

The body of Mrs. Grimes will be brought here tomorrow at noon and will be taken at once to Mr. Kuntz for burial by the side of her husband, which was Mrs. Grimes' request.

NO LONGER "NIGHT RIDERS"; "NIGHT GUARDS" THE NAME

Letters Sent Through Mail to Farmers in Crittenden and Livingston.

Ordering Them to Pool Their 1910 Crops.

THEY SING LETTERS U. B. N. G.

"By our blood: You are hereby notified to pool your 1910 crop of tobacco, U. B. N. G."

These typewritten notices have been sent through the mails to numerous tobacco growers, who are a bit uncertain, in the night rider district. They have been distributed generously as there is a feeling and sentiment that many tobacco growers do not desire to pool their tobacco crops this year. The letters signed are interpreted to mean "United Brothers of Night Guards." These letters have been received by many tobacco growers in the vicinity of Duesburg.

Last week a meeting of tobacco growers was held, and speeches were made by a few leaders, telling the growers that they must pool this year's crop. The meeting was somewhat cooled when Major E. B. Barstetter entered the meeting, and in a speech told the growers that nobody would be forced to pool their tobacco. Soldiers are now on duty in the night rider district as a protection to farmers who do not desire to pool their crops.

The constant movement of the soldiers is said to have prevented several attempts to force the growers to sign the pledge.

"Success of Failure."

"Success of Failure, or the Reward for Service," was the subject of the Rev. D. W. Fooks at the Cumberland Presbyterian church, Twelfth and Tremble streets, Sunday morning. A large congregation was present and an evening service was held. Beginning next Sunday morning Rev. Fooks will begin a revival, which will continue indefinitely.

PADUCAH WOODMEN COME BACK FROM LOUISVILLE

The two special trains that conveyed several hundred Paducah Woodmen of the World to the initiation at Louisville, returned this morning. Both trains were several hours late due to a late start. The first train reached Paducah at 8:30 o'clock this morning. The second arrived after 9 o'clock. The class of 6,000 members initiated yesterday was composed of candidates from seven states. The initiation was a big success, and the Paducah members had a splendid time despite the long trip.

Balloonists are Believed to Be Battling For Their Lives Among Wilds of Canada---Rescuers Start

Occupants of Balloon America II, are Not Heard From--Others Accounted For and Records Authenticated.

St. Louis, Oct. 24.—President A. C. Lambert, of the St. Louis Aero club, this morning received a telegram from Thompsonville, Mich., giving the first information of Allen R. Hawley and August Post, in the missing balloon, America II. It eliminates to some extent the growing fear that the aeronauts fell into Lake Huron, or perished in eastern Quebec, being unable to return to civilization.

The telegram says: "America II, passed over here Tuesday, course due north. It passed West of St. Ignace, Mich., was over Sutton Bay at dark. People talked with the balloonist eight miles north of here, who saw lettering on the balloon, signed E. S. Northrup."

With the America II A. R. Hawley, pilot, and August Post, aid, still unaccounted for, the relative positions of the nine other balloons of the international race which started from here last Monday, was figured by Lieut. Andrew Drew, hydrographic expert of the Aero club, of St. Louis.

Drew gives the distance traveled by the aeronauts unofficially.

Dusseldorf II (German) Hans Gerlich pilot; landed at Kiskiskimung, Que., on Wednesday morning, about forty-two hours in the air; distance, 1,100 miles.

Germania (German); Hugo Von Abercerol, Cocococash, Que., Wednesday morning, 43 hours, 1,100 miles.

Helvetia (Switzerland) Theodore Schaeck, landed near Ville Marie, Que., Wednesday, 46 hours, 850 miles.

Azurea (Switzerland), Emil Messner, 22 miles northeast Blacostock, Ont., Wednesday morning, 42 hours, 772 miles.

Harburg III (German), Lieut. Vogt, Lake Nipissing, Ont., Tuesday morning, 27 1/2 hours, 750 miles.

St. Louis IV (American), H. E. Honeywell, pilot, landed Tuesday, 25 hours, 550 miles.

Condor (France), Jacques Faure, Two Rivers, Wis., Tuesday afternoon 21 1/2 hours, 410 miles.

Million Club (American), S. Louis Von Phil, landed at Racine, Wis., Tuesday morning, 14 1/2 hours, 315 miles.

Lost in Wilderness.

Montreal, Oct. 24.—It is the opinion of August Blancherts, aid of the balloon Germania, that Allan R. Hawley, pilot, and August Post, aid, of the balloon America II, from whom no word has been received nor fighting for their lives through he wilderness of northern Quebec.

Blancherts arrived here from La Toupe, Que., some distance from the spot where the Germania landed on Wednesday. He and Hugo Von Abercerol had a desperate fight for their lives after coming to earth. They were 32 hours forcing their way through an unbroken forest to the railway lines with crusts of bread for sustenance.

There they met a construction gang who said a big yellow balloon had preceded the Germania over practically the same route by half an hour. This is believed to have been the America II, and is said to have passed over very high.

Searching Party Starts.

New York, Oct. 24.—William Hawley, brother of Allan Hawley, and R. L. Stoddard, an intimate friend, are on their way to Ottawa, Canada, today to organize a relief expedition to search the surrounding wilderness for Hawley and August Post, from the missing balloon, America, No. 2. Rumors from Ottawa that the America landed north of Kiskiskimung, Quebec, beyond the landing place of the Dusseldorf, have not been confirmed.

Grace Episcopal.

The Rev. Frederick Thompson, of Unlouth, Ky., is addressing the ladies of the Grace Episcopal church congregation this afternoon on "The Needs of the Church in Kentucky." Dr. Thompson is at the head of the school at Unlouth that is doing such a fine work in educating the young ministers of the church.

Dr. Thompson preached at Grace church Sunday morning and evening. He delivered two strong and noble sermons. Dr. Thompson is a man whose faith and works have gone hand-in-hand. He was the official at Grace Church in the absence of Dr. Wright.

FURNITURE DEAL HEARING BEGINS

PROSECUTOR BURKE CHARGES SENATORS WITH BEING GRAFTERS.

Springfield, Ill., Oct. 24.—Declaring that State Senator Holtzlaw is a "wolf in sheep's clothing," a grafter and a perjurer, and branding Senator S. C. Pemberton and Representative J. C. Clark as Holtzlaw's accomplices, State's Attorney Burke today opened the Pemberton-Clark bribery trial.

Burke said he would show that Pemberton and Clark voted repeatedly to award the state capital furniture contract to the highest bidder. Secretary of State Rose, the first witness, will take the stand late this afternoon.

"Holtzlaw is not coming here of his own will to tell of the furniture contract deal," said Burke. "He is coming because the state has the goods on him."

WALL PAPER TRUST

CANDIDATE DIX DIRECTOR IN CORPORATION.

Judge Landis Said It Was a Conspiracy in Restraint of Trade.

New York, Oct. 24.—Theodore Roosevelt began to unlimber his heavy artillery. In two speeches, one in Manhattan and the other in Brooklyn, he accused John Dix, the Democratic candidate for governor, of being one of the directors in a company which "aided in forming a complete scheme to accomplish the stifling of commerce," against which he quoted the strictures of a judge, now of the United States supreme court, and contrasted his business record with the public record of Henry L. Stimson, the Republican candidate for governor. From the same platform Bourke Cockran, formerly a Democratic orator, announced that he will this fall vote the Republican ticket.

"I ask you to compare Harry Stimson, who I hope you will judge as Governor by his record as district attorney," Col. Roosevelt said, "and Mr. Dix, of whom his friends have to say as a public man, he of course, will do the direct opposite to what he did as a private business man. His present backers announce that they are against trusts. Well, Mr. Dix is now director of the Standard Wallpaper company."

"If you will turn to the opinion of the court in the case of the Continental Wallpaper company vs. Voight, reported in the Federal Reporter, 148, page 929, you will find the court record says that the National Wallpaper company, a corporation owning or controlling a large number of wallpaper factories, combined or conspired together with them for the purpose of controlling the wall paper production in this country by suppressing competition among themselves."

"The Standard Wallpaper company was one of the parties to that agreement. Its president, Mr. Julius Jackson was made president of the Continental Wallpaper company, that is, the wallpaper trust. Now this company brought a suit against Voight & company. Judge Lurton, now a member of the United States supreme court, wrote the opinion of the court January 5, 1906. In the court January 5, 1906, in the course of which he said in speaking of this wallpaper trust:

"This union, embracing substantially all the wallpaper mills in the land, resulted in an unreasonable enhancement of prices."

"And this precisely what we might anticipate. You know Mr. Dix has been speaking of his regret that prices have gone up. He helped to bring them up."

"Now, friends, Mr. Dix has been unfortunate in his partnerships. Although he feels that the tariff should be low, one partner wrote begging that their product should be made higher, and although in his official capacity he is against trust described in such terms by Judge Lurton. And now he has another partner and a predominant partner in politics, Murphy, the boss of Tammany Hall."

—Patrolman Andy Stewart returned yesterday from Kramer, Ind., where he took the baths at the Indiana springs.

ROOSEVELT WILL ADVOCATE TAFT'S RE-NOMINATION

Friends of President In New York Are Found to Be Lukewarm.

Because They Fear Roosevelt In 1912.

FAKE STORY FROM INDIANA.

New York, Oct. 24.—Roosevelt here today inferentially denied a charge that he had called Federal Judge A. B. Anderson, of Indiana, a "damned jackass and crook," but it is alleged that the colonel made this remark to Perry S. New, former chairman of the Republican national committee, at the recent Roosevelt reception in Indianapolis. "There is nothing I can say about this," the colonel said. "It is just the kind of thing to be expected in the closing days of a campaign."

Will Stump Ohio. Colonel Roosevelt. It was learned, has promised to make several campaign speeches for the Republican candidates in Ohio on his return from Iowa. This strengthens the belief that there is an understanding between President Taft and Roosevelt that the latter will support him for re-nomination in 1912.

Colonel Roosevelt's friends have hinted here that he now realizes that the radical Republicans of the west must be curbed, that they can not dominate the next Republican national convention or elect their ticket, and that he must cast his influence with the conservative progressives in favor of re-nominating Taft and re-electing him.

It is apparent that when the former president speaks in Ohio he will take occasion to pay some strong compliments to the president, and that this will bring about a still further kindly feeling between the white house and its former occupant.

In New York thousands of Taft's admirers are working against Stimson because of their feeling that Roosevelt is the man who is to be put out of business. If these men could be convinced that Roosevelt was really for Taft's re-nomination they might be induced to fall into line for Stimson.

Colonel Roosevelt's aim is to win in New York

POLITICS AND CORN DIVIDE

INTEREST IN STOCK MARKET FOR WEEK.

President Taft's Conservative Attitude Maintains Quiet.

MONEY MARKET IS EASY.

New York, Oct. 24.—Recent activity on the Stock Exchange has been in refreshing contrast with the stagnation of the last few months. The better undertone which was intimated in these advices as early as September 10 has at last crystallized into an active demand for stocks at advancing prices. As usual, the initiative was recognized changed conditions, and each day the buying movement widened with a resultant advance of several points in all the leading shares.

The most important single element of improvement was the positive assurance of a bumper corn crop. The value of a good harvest is much more highly appreciated in the West than here. As a result of the big corn yield, our Western farmers and merchants have each put on a split of renewed confidence, so that already the business outlook throughout the great corn belt is showing real improvement. Possibilities, never so deep in the West as in the East, is now rapidly disappearing; for the farmers will be able to meet their obligations, and land speculation has received a wholesome quietus through the timely efforts exerted by interior bankers. Incoming advices from the West are all of a much more favorable nature than a few weeks ago. Corn is lower in price than last year, but this fact will be offset by farmers feeding more corn to cattle. As the latter are bringing high prices, it will prove more profitable to turn corn into meat than into any other marketable product.

Corn and Politics.

While western sentiment has been influenced by the corn crop, eastern opinion has been conspicuously affected by political developments. These are clearly favorable. Republican losses may be expected, it is true, but they are regarded with equanimity, and even with gladness in some quarters as likely to improve a check upon abuses which are apt to creep in with too long political incubation. Local issues in this state are largely personal. So far as national issues are concerned, there appear to chiefly center upon the tariff. President Taft's idea, however, for a non-partisan commission, aiming to deal with the tariff one schedule at a time, has allayed much of the anxiety in this quarter. Among other favorable political indications are the moderating of public hostility to corporations; the belief that the supreme court will not destroy property rights, and the expectation that the railroads will secure reasonable treatment in their request for advanced rates. All of these considerations have combined to stimulate a revival of confidence in security markets. A somewhat better demand for bonds has also recently developed. This is partly an indication of increased confidence, partly due to accumulation of funds seeking investment and partly to a realization of the fact that bonds are really not endangered by any probable action which the interstate commerce commission may take on the rate situation. President McCre's thoroughly sound and temperate argument in favor of better rates created a strong impression, not only in investment circles, but also among shippers who are fishing all advances among political leaders at Washington and among the petty politicians who have been ignorantly assuming that clubbing the railroads was good for vote-making. Everything now indicates that the railroad problem will be solved along lines that recognize rights of both railroads and shippers, and that justice will be dealt out as evenly as possible to each and every interest.

Our foreign trade is showing a very remarkable and satisfactory change towards more normal conditions. In September our exports were valued at nearly \$169,000,000. This was nearly \$15,000,000 in excess of last year, and was probably the heaviest September on record. The increase was partly due to heavy cotton shipments. Imports during the same month amounted to only \$17,000,000, a decrease of nearly \$4,000,000 compared with last year. The net result for the month was an excess of exports of \$51,000,000, compared with \$33,000,000 in 1909 and nearly \$41,000,000 in 1908. This change in the tendency of our foreign trade is wholesome and significant. For a long period, owing chiefly to the high level of prices here, the tendency has been for imports to increase and exports to diminish; thus creating a surplus of imports instead of exports as usual. It is quite possible to have a satisfactory foreign trade in which imports exceed or equal exports, for all foreign trade in the final analysis is barter, and cannot be continued unless mutually profitable. But the United States has always been an export country, owing to its surplus of agricultural products. With the growth of population it is certain we shall gradually change in this respect, and if we are to continue importations from abroad, as we must,

it will be necessary for us to prepare to make payments in larger exports of manufactures to compensate for diminished agricultural exports.

Money.

All anxiety about the local money market has now disappeared. Temporary stringency may occur between now and the first of the year, and the importance of the advance in the bank of England rate should not be overlooked. It is a warning that must be heeded. If all reports are true, considerable amounts of American finance bills have been placed abroad, and should Europe liquidate American stocks with any freedom, we might find ourselves shortly exporting gold at a season when imports are customary. On the other hand, funds withdrawn for crop moving purposes will soon begin to return from the West, and with lower prices for commodities and the lessened activity of business there should be no scarcity of loanable funds. The excess of loans over deposits in some sections of the country is an indication of unsatisfactory conditions which in time will probably right themselves. The fear of a local crisis which hung over this market all summer has no entirely disappeared. General business conditions are quiet, and it will be some weeks, if not several months, before the full effects of a good harvest display themselves, especially as the process of readjustment to new conditions is not entirely completed. After the elections it would not be surprising if a moderate resumption of activity was to occur. The improvement in the security markets will undoubtedly act as a stimulant; and the stock market, if it should be remembered has a habit of discounting such recompositions in advance. It is doubtful if the rise in securities has yet reached its culmination, but after the recent rapid advance a moderate reaction is not unlikely to be followed later on by another upturn, provided the present leaders retain control.

Daily Thought.

You will find it less easy to uproot faults than to choke them by gaining virtues.—Ruskin.

When we look at the pictures of Dr. Crippen, we wonder at the fascination some men have for women.

We have seen many yellow papers, but we never before saw such a frank combination as the Lyon County Herald published this week on yellow paper.

According to a poll of the Tennessee press taken by the News-Scholar, of Memphis, of the 84 Democratic papers in the state 38 are only supporting Taylor, 12 are supporting Hooper, and 34 are supporting Hooper, who is being supported by a total of 75 papers.

The New York World declares newspaper control by the government will be established if the Panama libel suit is sustained. As we remember, the New York World in that story made allegations, directly charging prominent individuals with criminal conspiracy to make personal profit out of the Panama deal with France.

PERSONAL JOURNALISM.

The Third district congressional race has reached the point of personalities, at least, among Bowling Green newspapers, and Ed Leigh's Messenger said Saturday:

"Gentlemen of the Democratic campaign committee, come clean now. We had innocently supposed that the letter published by The Messenger from a farmer and asking H. Y. Thomas a series of questions (was a spontaneous outburst. But according to the News, the letter was bandied about Democratic headquarters for some time and finally ordered sent to the post office. Farmers who write letters to congressmen don't usually send them by way of Democratic headquarters, but through the postoffice. As the News says, the supreme question of the hour, overshadowing the tariff and last week's grocery bill is this, 'Who lied?'—Third District Review.

"Mr. Scott has known the editor of the Messenger much longer than he has known the editor of the News, and he knows that the editor of the Messenger would never violate the ethics of the profession. The editor of the Messenger told an absolutely straight story about the Donnadson letter, as Mr. Scott could have found out upon even the slightest investigation. If, therefore, he is the man that he has the right to be by birth and education he will publish the truth about this matter in his next issue."

MR. LEAVITT'S MIRACLE.

Whether or not Mr. W. H. Leavitt himself originated the story of the attempted rape of "The Last Supper," which appeared in the News-Democrat Saturday morning, and whether or not he did, indeed, induce the communication, which the News-Democrat published Sunday morning, we have no means of knowing. We only know that after reading the story Saturday morning, we paid no attention to it, further than to make fun of it, assuming that someone had been slipped a piece of money for it, and that someone had gullied the News-Democrat. Fike,

*Under indictment.

and a poor one at that, was written all over the face of it.

But about 11 o'clock Saturday afternoon Mr. Leavitt, hatless and breathless, came into The Evening Sun office, in a company, it is true, with Arthur Bailey, a newspaper man, but one who has nothing to do with The Evening Sun. Mr. Leavitt came in primarily to see the News-Democrat story, professing ignorance of it, save that he had received a telegram from a New York paper concerning it, and had denied the story.

In the presence of three witnesses Mr. Leavitt made the denial which was published in The Evening Sun, and we deem it no breach of confidence to add that he said on the night, when he is supposed to have made his occult demonstration in bed, he was doing out, a statement which we have since taken the pains to verify as a historical fact.

Mr. Leavitt said more: he called the article "a species of yellow journalism," and vowed Mr. Hearst's papers couldn't have done worse. He said he had never talked with a News-Democrat reporter about the matter; that the whole story was absurd and untrue and that no such thing ever occurred to his personal knowledge.

When we published the denial we supposed we were doing Mr. Leavitt a good turn. We have heard since that representatives of the News-Democrat, and former County Judge R. T. Lightfoot, cornered Mr. Leavitt in the Three Links building Saturday night, and his signed statement in the News-Democrat Sunday morning may have been the product of that interesting interview—and, then, it may not.

As the matter stands, if that communication, obtained in whatever manner one may imagine, is to be accepted, then Mr. Leavitt may be assumed to have heard "the story" read over the telephone before the same was published, and thereby to give the sanction of inspiration and revelation to every syllable, dot and punctuation mark in it.

A fake story, like murder, can generally be detected by the efforts of the guilty parties to cover up their trail. A story founded on fact requires no corroborative evidence. This Leavitt story contains as complete, though crudely developed plot, as that employed to give verisimilitude to the runkest melodrama.

Let us introduce our hero, Mr. W. H. Leavitt, the painter of "The Last Supper." He is asleep in bed—forget for the moment that he was in reality dining out that night—"All through the evening," he says, "I had a feeling of depression, just as though I were alone in a lower—Business with thunder machine, f. i. E."

"I awoke," says he, "with a start. I could not shake off the premonition."

Can we not infer from the story, a prologue, in which the artist is similarly awakened from a deep sleep by some mysterious influence, and going to his studio in the Latin quarter (or do they sleep in "em") his feverish hand under the guidance of the afflatus drubs the colors on the canvas, and in the morning he awakes and finds the great masterpiece finished in every detail? This man has communication with the supernatural. But let us hasten on. The plot thickens.

"The nearer I approached the building," our hero continues, "The more convincing became my sensation that something was amiss."

(There is a phenomenon, which would interest the society for psychological research.)

Then the narrator takes the stage for a minute to describe the hero.

"Here Mr. Leavitt's voice shook with emotion as he recalled the narrow escape of his painting from total destruction."

(We are to infer that the recital over the telephone by the author of the story so moved Mr. Leavitt's easily excited imagination, that his voice "shook with emotion." Perhaps, shook the wires.)

Enter the villain—Oh, not a really, truly villain; merely a man driven mad by the preaching of Dr. R. A. Torrey; for Mr. Leavitt is quoted as saying it was "someone temporarily deranged by the series of revival services." And you must remember that this man Leavitt denies in the occult, and the same vision that led him to the scene, could easily have revealed to him the character of the person whom he had to face.

He reaches the building and, what does he see?

"There WITH ONE HAND HOLDING A KNIFE IN POSITION TO DESCEND ON THE PAINTING, stood a man."

But again miraculous intervention saves the picture; for it is recorded "I was unable to speak FOR SEVERAL MINUTES."

(Stage picture. Villain holding

knife poised aloft as if about to strike. Mr. Leavitt, baredheaded, standing speechless in the doorway.)

But that is not all: the man was punished on the spot. Mr. Leavitt proceeds, according to the story: "I finally unnerved to exclaim (and note how apparently commonplace sometimes are the direct causes of wonderful and striking manifestations) I managed to exclaim—what did he exclaim?"

"Instantly 'the spell was broken', and—mirabile dictu—"The intruder DROPPED THE HAND CONTAINING THE KNIFE."

If Judge Lightfoot finds a hand, containing a knife, lying on the floor of the Three Links building, he will have a view that will go far to substantiate the story published by his client.

The villain was "a religious fanatic" repeats our morning contemporary on its own authority.

Oh, the infamous implicity of the outrage! The hideous impropriety of dragging the figure of the Divine Master into the center of such a story, with a supernaturally guided artist from the Latin quarter for a hero, and a villain manufactured by the Torrey revival, which latter was a coincidence that least little rarely to the irrepressible melodramatic instinct of the perpetrator of that outlandish story!

If that story were true the very saints themselves could scarcely match Leavitt's miraculous experience. No wonder this man doesn't wear a hat: we suspect he is growing a halo.

STATE PRESS.

Take Warning.

Paducah ice men have been indicted for reducing the price of ice, the claim being made that they have formed a combine. Other ice dealers should let this serve as a warning to them.—Carlisle News.

Raps Lawrence.

It should be understood clearly and emphatically, now and forever, that General Narse Henri Lawrence is excusable for his refusal to support John K. Headrick for governor, because he made such entangling financial alliances with Senator McCree that he cannot now turn him loose, even if he desired to do so. General Narse Henri is the campaign manager in the First congressional district for Senator McCree and the distributor of his campaign fund in this district. We know that every paper that announced McCree by reproducing the Jim Lemon Mayfield Messenger article got from \$30 to \$300 for it and extras—which left something like 4,000 out of the 5,000 for the Cadiz Record.—Mr. Lawrence's paper—all of which puts the \$ mark on Narse Henri.—Smithland Banner.

Detests Lawrence.

If the Democratic party is damaged in the Third senatorial district it will be brought about by a few Democrats who are mad at Henry Lawrence, because he exercises the right to favor Senator McCree for governor. Mr. Lawrence is not to blame because he does not favor a certain man for governor.—Mayfield Messenger.

CAUSES DEATH OF SIXTEEN-YEAR-OLD GIRL.

Miss Toheresa Lemke Dies After Lingered for Three Years of Tuberculosis.

Miss Toheresa Lemke, 16 years old, daughter of Mrs. Dorothy Lemke, 913 Adams street, died at 6 o'clock this morning following a six weeks' illness of tuberculosis. Miss Lemke was of a cheerful disposition and bore her sufferings bravely. She was born in Princeton and had been living in Paducah about 8 years, coming here with her mother. She had attended the Longfellow school, but three years ago was forced to give up her studies in the seventh grade, owing to her failing health. She was bright and leaves many friends in this city. She was under the watchful care of the First Presbyterian church, where the funeral will be held at 2:30 o'clock Wednesday afternoon, the pastor, the Rev. H. W. Hurwell, officiating.

She is survived by her mother, her grandmother, Mrs. Gregston, and one sister, Miss Mary Lemke, all of this city. Burial will be in Oak Grove cemetery.

The pallbearers are: Henry Budde, Herman Yopp, Clyde Burnham, Holi Murphy, Ray Elliott, Arthur Orr.

Funeral of Mrs. Nickell.

The funeral of Mrs. James H. Nickell, of Grand Rivers, Ky., who died at 2 o'clock Saturday morning after a four years' illness of tuberculosis, was held Sunday morning at 11 o'clock and the burial took place at Grand Rivers at 2:30 o'clock in the afternoon, the Rev. Gentle, officiating.

Mrs. Nickell was 29 years old, and was the daughter of W. Prince, of the Methodist Church, South. She was married to Mr. Nickell November 27, 1902, and was a devoted wife and mother. She was a member of the Methodist church and was highly esteemed by those who knew her. She wielded a Christian influence over those who came in contact with her and leaves many friends.

Surviving her are her husband and three children: Walter Prime Nickell, Luther Kindel Nickell and Sallie Ruth Nickell. She leaves one brother, A. Pryor, of Grand Rivers, and Mr. E. S. Nickell, of 517 South Tenth street, this city, a brother-in-law.

Mary Ella McGee.

Mary Ella McGee, the 7-week-old daughter of Mr. and Mrs. E. C. McGee, 433 South Ninth street, died at 9 o'clock last night after a short illness of pneumonia. The funeral was held at the residence at 10:30 o'clock this morning, the Rev. G. T. Sullivan, pastor of the Broadway Methodist church, officiating. Burial was in the McKendree cemetery.

Final Baseball Game.

The final game of the season resulted in the defeat of the R. H. Hook team yesterday afternoon at League park by the Golconda Cubs, strengthened by several star players from over southern Illinois, by a score of 3 to 2. It was a good game and a regular pitcher's battle between Glass and Lee Hart. Both twirlers yielded four hits and struck out four batters.

In the first inning the Golconda Cubs secured two scores on two bunched wild throws, and another run was gathered in. In the ninth the Hooks were blanks, but Hart aside from his brilliant pitching, did some effective work with his bat. With two men on the bases he drove out a line drive to center and the two men scored.

Climate Failed—
Medicine Cured.

It has been abundantly shown that rest, fresh air, and good food, do help many persons suffering from tubercular taint, but to be cured, it must be admitted that the disease is seldom more than "arrested." Something more is needed.

Ekman's Alternative is a medicine made for the cure of Tuberculosis. It has cured this disease again and again. Of these cures have been effected where the surroundings were not ideal, where no intelligent care was taken of the patient, where money was scarce, good food and good cooking unobtainable, yet cures resulted. Now we argue and urge that Ekman's Alternative should be used in every case of Tuberculosis, in addition to good, nourishing food, and fresh air, which we all need.

The facts—the evidence of cures that have been made—are interesting reading. A remarkable case follows—Veldon, H. Gentlemen—Through Ekman's Alternative I have been saved from a premature grave, and feeling that I might benefit suffering humanity, I take pleasure in writing you a brief history of my sickness, which you are at liberty to use.

On December 14, 1901, I was taken with lymph pneumonia. My lungs became very much affected, my spoutum was examined and Tuberculosis found. While there are places in my right lung broken and discharged, I grew worse, and became very much emaciated. My physician informed me that I must go to Colorado as quickly as possible. I left Texas June 1st, and arrived in Canon City June 2nd, very feeble. After being there two weeks, my physician informed me that nothing could be done as my returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive.

On the 14th of July I began taking Ekman's wonderful remedy, for Consumption. Today I weigh 135 pounds. I am stout and well and can do any kind of work about my grain elevator. I have not an ache nor pain in my lungs, yet, I sleep well, and never feel better. I would be glad if every person afflicted with Tuberculosis took Ekman's cure." (Signed) ARTHUR WELDON.

Ekman's Alternative cures Bronchitis, Asthma, Hay Fever, Croup and Lungs Affections. Ask for books of cured cases and write to the Ekman Laboratories, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and List Drug Co., in Paducah.

The Trial By Rice.

They have peculiar methods of trying suspects in Bengal. One of these is called "trial by rice." Every person suspected was ordered to be present, and all bined up. First the people were made to sit in a semi-circle and a "plate" in square of plantain leaf was set before each. Then a priest walked up and down, chanting and scattering flowers. This ceremony over one of the clerks went to each man and gave him some raw rice and told him to chew it to a pulp. After about ten minutes they were told to stop and eject it into the plantain leaf. All did so easily with the exception of three men. One of these three promptly commenced to cry and beg for mercy, confessing everything and saying that another of the three was the chief instigator. It is a curious fact that four, arising from an evil conscience, prevents saliva coming to the mouth, with the result described.—London Globe.

OUTWEIGHED BUT NOT OUTCLASSED

PADUCAH HIGH SCHOOL DEFEATED SATURDAY.

Hopkinsville High Has Some New Pupils Who Are Very Heavy.

Outweigher, the Paducah High school football players went down in defeat before the Hopkinsville High school team Saturday afternoon at Hopkinsville after putting up a very plucky fight. Almost throughout the entire game the light High school line withheld the heavy plunges of the opponents. Exhausted and weakened in the final quarter, the Paducah players were unable to stop the heavy rushes, and the score was piled up from 5 to 0 to 28 to 0.

The Paducah players, bruised and hattered from the strenuous battle, returned yesterday afternoon, and were not pleased with the treatment during the game. The hospitality of the citizens was excellent, but several players who entered school only a few days ago for the football season, are said to have participated in the game. Prof. Hugh Craig was umpire, and he said not a penalty he called was enforced, and he was hardly recognized as an official. The Hopkinsville team averaged 147.1 pounds in weight, while the Paducah players averaged 141. Hey Browning, the right tackle, was knocked out, and played the entire last quarter pluckily without regaining his normal condition. Joe Harth, King, Ward Browning, Jones, were also knocked out, but each revived and showed his grit by finishing the game.

Started Badly.

The Paducah boys started off badly when Hopkinsville kicked off, and Paducah fumbled. By hard work the Hopkinsville players finally scored a touchdown, but failed at goal. At the end of the first half not another score was made, and both teams battled strenuously. In the third quarter the Paducah lads failed to score although the hall was shoved near the goal line when it was lost on a fumble. In the final quarter Hopkinsville players plunged through the line for four touchdowns while three goals were kicked.

The work of the Paducah line was the feature as they withheld gains until the final quarter. Only at intervals did the Paducah ends play good, while the back field failed to come up to form. The Paducah lads have cancelled the game next Saturday with the town team as they are not in condition, and will rest up for Madisonville.

The line-up and weights of the players is:

Paducah—F. Browning, 125, lb; Elliott, 150, lb; Jones, 153, lb; J. Harth, 140, lb; King, 155, lb; Hey Browning, 145, lb; Humphreys, 135, lb; P. Harth, 125, lb; W. Browning, 135, lb; Yarnough, 140, lb; Ogilvie, 160, lb.

Old Bibles for New.

We are just old-fashioned enough to take no stock in the modernized Bible which is shortly to appear, "couched in everyday language, with obsolete words and phrases eliminated." The King James Bible has done more to preserve the good old Saxon words and style, which are the best English literature has produced, than anything else. Instead of a movement to get us further away from that vigorous, simple, classic style, and in the interest of establishing the finest literary ideals possible to a people destined to use the curious hybrid which the English language has become, it would be more sensible to frown upon all efforts to improve on the King James Bible. It is the greatest treasure house, inspiration and teacher of good English that we possess.—Success Magazine.

NO MORE GRAY HAIR

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made and used a "sage tea" and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair, and are fast following suit. The present generation has the advantage of the past in that it can get a ready to use preparation called Wyeth's Sage and Sulphur. As a scalp tonic and color restorer, this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers, and it can be bought for 50 cents and \$1 a bottle at almost any first-class drug store or will be sent direct by the Wyeth Chemical Company, 74 Corlandt St., New York City, upon receipt of price.

Bishop O'Donaghue will arrive in Paducah next Saturday evening at 6:10 o'clock, and at the Union station he will be met by the following committee: The Rev. H. A. Connolly, Dr. H. F. Bradley, John T. Donovan, Frank M. Fisher, John J. Dorian, Con Ward, John Doherty and Captain M. Williams.

Three masses will be held at the church next Sunday. The first will be at 6 o'clock, the second mass at 7 o'clock and the third mass at 8:30 o'clock. The first communion will be given at the 7 o'clock mass and immediately after the 8:30 o'clock mass the sacrament confirmation will be administered by Bishop O'Donaghue.

In the afternoon Bishop O'Donaghue will be at the St. John's Catholic church in the county. The class for confirmation this year is composed of about 150 members.

Services at Temple Israel. Special services of the Feast of Conclusion will be held at Temple Israel this evening at 7:30 o'clock and tomorrow morning at 10.

Eight Additions. There were eight additions to the First Baptist church yesterday, six for baptism at the morning service and two by letter at the evening service. Mr. Howard Kinsey, baritone soloist with Dr. Torrey, sang "God's Call" in an impressive manner in the morning and made a most favorable impression. Last night the Rev. Dodd preached on "Faith." Audiences at both services were large. Owing to the baptismal services being out of order the baptismal services were postponed until next Sunday.

Equipment for Religious Service. "Equipment for Religious Service" was the subject of an excellent sermon delivered at the Broadway Methodist church yesterday by the Rev. William S. Jacoby, co-worker of Dr. Torrey. The pastor, the Rev. G. T. Sullivan, was present and able to conduct the services and a large audience was present. Mr. William McKean, tenor with Dr. Torrey, sang sweetly, "When Face to Face I Shall Meet Him." The Bible class yesterday morning was attended by 65 members. There were no evening services. The Rev. Sullivan request all of the stewards of the church to meet him at 6:45 o'clock this evening in the church parlors.

Fountain Avenue. The Rev. G. W. Banks, pastor of the Fountain Avenue Methodist church, filled his pulpit yesterday morning and a large congregation was present. There were no evening services.

First Presbyterian. Dr. H. W. Burwell preached yesterday morning at the First Presbyterian church from the text, "How Long Hail Ye Between Two Opinions? If the Lord be God, follow him; but if Baal, follow him."—1. King, xviii, 21. His subject was "Decide Now." It was ringing appeal against indifference on the part of professedly believing people. There were two additions to the church. Miss Nellie Henneberger sang a beautiful solo for the offertory.

The Sunday school hour was occupied by Mr. William Jacoby, whose address laid practically the entire Sunday school under conviction of sin, and the short prayer service, with those who arose at his invitation, was one of the most impressive and stirring features of the revival month.

Four Additions. There were four additions to the First Christian church yesterday morning, three by confession and one by letter. The pastor, the Rev. W. A. Flite, gave a report of the National Convention of the Christian church, which met recently in Topeka, Kan. Mr. Walter Clark sang a solo. There were no evening services.

At Tenth Street. At the Tenth Street Christian church yesterday morning Miss Mary Moody Parker spoke on the subject of "A Full Surrender to Christ." After the service several renewed their faith in Christ. A large congregation was present to hear Miss Parker while in the evening there were no services owing to the Torrey revival.

German Evangelical. The usual services were conducted at the German Unity Evangelical church on South Fifth street yesterday by the pastor, the Rev. H. M. Wiesbeck. The class for instruction in confirmation will begin at 4

QUIT CALOMEL!

THOUSANDS ARE TURNING FROM THIS DANGEROUS DRUG.

A Safe Vegetable Substitute Is Olive Tablets for the Liver.

Dr. F. M. Edwards, a prominent physician of Portsmouth, Ohio, has discovered a new laxative and liver tonic in a combination of vegetable materials, including olive oil, which is in effect almost exactly like the old and untrustworthy calomel, except that there are none of the bad after effects of calomel.

Dr. Edwards has long been a foe of calomel, though he recognized its value along with its dangers.

His distrust of the uncertain drug eventually started him years ago towards experimenting with the view of discovering a substitute, and he is today in possession of the long-sought-for combination, which is in the shape of a little sugar-coated, olive-oil colored tablet.

The results of fifteen years' experience and practice are embodied in these marvelous little tablets.

They are called Dr. Edwards' Olive Tablets, and their effect on the liver has been the means of relief to many of Dr. Edwards' regular patients as well as to thousands of others who have suffered and were afraid of calomel.

They are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of harmful impurities.

All druggists sell them in neat vest pocket sizes at 10c and 25c.

The Olive Tablet Company of Portsmouth, Ohio. Dr. F. M. Edwards, Pres.

At 6 o'clock this afternoon. The Mite society will meet Thursday afternoon with Mrs. Harneling of Harrison street.

North Twelfth Street. One addition to the North Twelfth Street Baptist church was baptised at 3 o'clock yesterday afternoon in the Ohio river at the foot of Broadway by the pastor, the Rev. J. R. Clark. He filled his pulpit yesterday morning and evening, having returned from Milburn, Ky., where he closed a successful revival.

Kentucky Avenue. At the Kentucky Avenue Presbyterian church yesterday morning the Rev. Landis preached on the subject of "Friendship Brings Personal Responsibility," and told of Paul's letter to Philemon. A good crowd was present. There were no evening services.

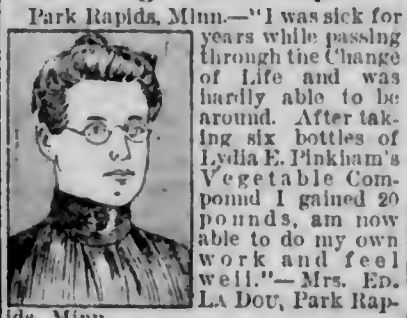

Willing to Forgive. "Why We Should Be Willing to Forgive," was the subject of the Rev. William Grother's sermon last evening at the German Lutheran church on South Fourth street. Yesterday morning he preached at St. Matthew's church in the county, speaking in the German language. The Lutheran league will meet at 3 o'clock Thursday afternoon at the church.

Johnny Bell Dismissed. Because of lack of evidence against her, Johnny Bell, a woman of Caldwell street, charged with grand larceny, was dismissed in police court Saturday afternoon by Special Judge W. F. Bradshaw, Jr. She was represented by Representative F. E. Graves.

AFTER SUFFERING FOR YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Park Rapids, Minn.—"I was sick for years while passing through the Change of Life and was hardly able to be around. After taking six bottles of Lydia E. Pinkham's Vegetable Compound I gained 20 pounds, am now able to do my own work and feel well."—Mrs. Ed. La Dou, Park Rapids, Minn. Brookville, Ohio.—"I was irregular and extremely nervous. A neighbor recommended Lydia E. Pinkham's Vegetable Compound to me and I have become regular and my nerves are much better."—Mrs. H. KINIMON, Brookville, Ohio. Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial. If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

"Colonial Heights"

The Suburb De Luxe of Paducah

We are glad to announce to the home building and investment public of the city of Paducah that the high and beautiful tract of land—about 30 acres—lying on and to the north of Jefferson street and on to the west of Thirty-first street, which we have christened

"Colonial Heights"

Has been divided into large and attractive building lots, or home sites, which are now offered for sale at low prices and on most attractive terms. The people of Paducah have hitherto never been afforded the opportunity of acquiring such high and healthy home sites in the path of the city's best growth; convenient to street car service and carrying so full a quota of city advantages and improvements.

Improvements

Monroe, Madison and Harrison Streets are now being extended through the property. Graded and cement sidewalks laid. The installation of a water system connected with the city supply, a complete and up-to-date sewerage system, and the graveling of the streets will follow in rapid succession. We give ourselves Twelve (12) months in which to perfect these improvements, but have determined to complete them in the next few months, so that they will be ready for the earliest and smartest builder.

Restrictions

The Minimum Cost of houses will be \$1,500 to \$2,500, according to location, the great majority of the houses having a Minimum limit of \$2,000. This means a much better class of houses than these Minimum prices would indicate, as the builder who desires a much more expensive residence can rest assured that his property will be protected from the effect of unsightly and deprecating sharks. NO LIQUORS, NO NEGROES, AN ESTABLISHED BUILDING LINE and other wholesome restrictions for the benefit and protection of the lot buyers and looking to the making of "COLONIAL HEIGHTS" a strictly high-class residential section for the best people of Paducah.

The value of these lots have been so conservatively fixed that they will at once appeal to the home builder and to the shrewd investor as well.

Notwithstanding our City's most promising future and the unmistakable evidences that she is about to enter upon an era of unprecedented growth and prosperity, we make no boom prices, but such as will surely give to the lot buyer the lion's share of the profit in the transaction. But to realize it, he should buy NOW, and not wait until ground floor prices are NO LONGER OBTAINABLE.

THIS PROPERTY IS ENTIRELY UNINCUMBERED AND TITLES ARE PERFECT.

Terms

Only \$20 to \$30 cash and the balance in 48 equal monthly payments, and no interest whatever on deferred payments, and no taxes for Four (4) years.

These terms are so easy that almost any person of moderate means or salary can buy a home site or secure an investment safer than a savings bank—one that will continue to grow when fires consume and banks fail. Now is the time to buy Paducah DIRT and he who wisely buys FIRST will reap the greatest reward.

Announcements

We have secured the services of Messrs. Zachary & Raymond, men of long and successful experience in the development and sale of high-class suburban properties, and bespeak, for them, a cordial reception by the business public. You will find it both pleasant and profitable to do business with them. These lots will sell rapidly and, if interested, make your selections AT ONCE. Delays are dangerous.

than the praise of God. It is more cowardice. There are hundreds of thousands and tens of thousands of men and women just as fully convinced as I am that Jesus Christ is the Son of God, and yet holding back from open, public confession of Christ because of mortal cowardice.

Now turn to the third text (1 Corinthians xii. 10). It is a very interesting picture. In the two texts that we have a picture of the movement toward; now we get to the glorious picture of the moral hero: "There I take pleasure in infirmities."

reproaches, in necessities, in persecutions, in distresses, for Christ's sake." Ah, there is a picture worth looking at! A man who was reproached for the name of God, persecuted for his loyalty to the truth, but although they heaped all manner of infamy on him, he looked up with a smiling face and said, "I take pleasure in infamy." Paul went down to Lystra and because of his loyalty to the truth and his outspoken defence of the truth, they stoned him, after they had almost worshipped him, and they dragged him outside the city. His disciples stood around thinking he was dead. But after a while he rose up again, and went back to Lystra. Then he went to Derbe. Some of the cautious Christians brethren at Derbe, remembering what had occurred at Lystra, doubtless said: "Now, Paul, it is all right to be loyal and to believe on Jesus Christ, but you must be a little more politic. It is no use running so directly against people's prejudices. Now, Paul, don't you be quite so outspoken here, or they will treat you in Derbe just the same as they treated you in Lystra. Now Paul, be a little more politic and compromise a little bit." And that magnanimous man looked up and said, "I take pleasure in infirmities and distresses for Christ's sake." Men and women, what you need in Paducah more than anything else is a few men like Paul and a few women with the same spirit. Men and women who will stand for Christ and stand for God's kingdom without compromise, no matter whom it hurts or what people say. Now my subject tonight, derived from these three texts, is "Heroism and Cowards."

I wish to say right here at the beginning that it takes courage to be a Christian, to be a real, true, outspoken follower of Jesus Christ. You and I live in a God-hating world—we live in a compromising age—a age in which men professing to be Christians are trying to please the world and carry on the Church of Christ so that there will be no difference between the church and the world. Now in a God-hating world like this, and in a compromising age like this, it takes courage to be an out-and-out soldier of Jesus Christ. It takes more courage than a great many of you have got. Many a man today who has great courage, who has courage enough to go to war, courage enough to go to the front, courage enough to stand on the firing line and stand in the face of a galling fire from the enemy's guns, has not courage enough to go back to the barracks at night and kneel down and say his prayers, and endure the chaff of his fellow-soldiers. It takes courage, the sublimest courage to be an out-and-out Christian.

But I will give you tonight five reasons why every man and woman should publicly confess Christ before the world.

1. In the first place, because He is such a glorious Lord and Master. There is nothing to be ashamed of in Jesus Christ. A young fellow got up in a meeting (he had been recently converted), and he tried to give a little testimony for Jesus Christ. But he was inexperienced in public testimony and could not talk very well; and, after he had sat down, an old gentleman got up and said, "Young man, you ought to be ashamed of yourself." Then the young man rose again and said: "Well, I am ashamed of myself, but I am not ashamed of my Lord." Ah, the trouble with some of you gentlemen is that you are not ashamed of yourselves, though you ought to be but you are ashamed of the Lord Jesus Oh, men and women there is nothing to be ashamed of in Jesus Christ. It is the noblest thing a man can say, "I am a follower of the perfect Man; I am a follower of the Son of God; I am a follower of the One infinitely glorious, Jesus Christ of Nazareth."

2. In the second place, every man and woman should confess the Lord Jesus publicly before the world for the sake of their influence. Every man has an influence. There is a man in Paducah that has not a influence. Everyone here has an influence, either for Jesus Christ against Jesus Christ. There is a man or woman or child here tonight who, if they confessed Jesus before the world as their Lord, and in accordance with that confession would not have an influence to anybody else to Christ. On the other hand there is no man, woman or child here tonight, who if he or she did not confess Christ, no matter how well he lives, has not an influence against Christ; and the better lives the more his influence is against Christ, for people look at him and say, "Look at that man; as far as I see he lives just as well as these confessed Christians, and he is no Christian, does not profess faith in Christ, I don't see the need of being a Christian." Oh, every one of you men that are not openly, before the constantly confessing Christian world, you have an influence against Jesus Christ.

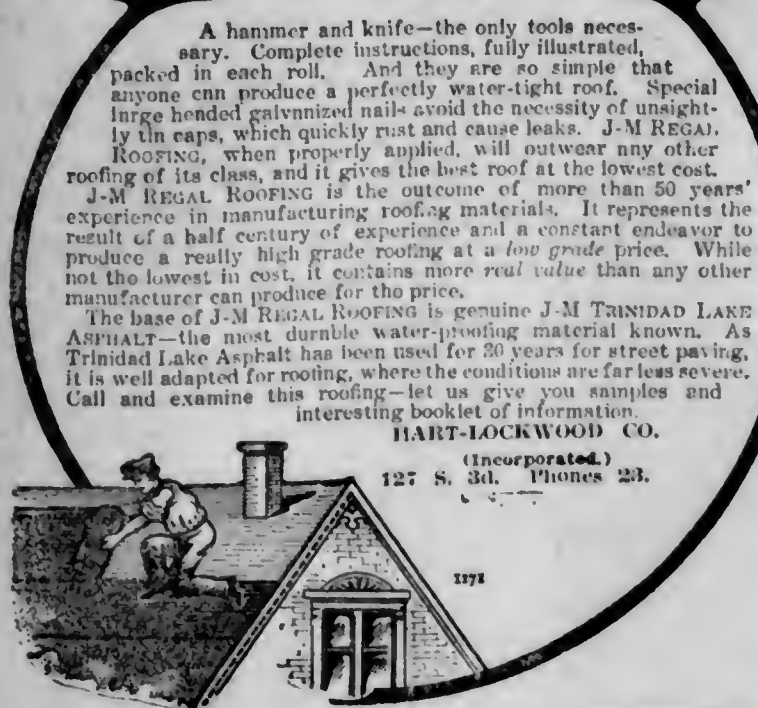

At one time when Horace Bushnell was a tutor in Yale College, and a great revival throughout the college. Horace Bushnell was the most popular tutor in Yale, but was not a Christian and was hated by the students. Horace Bushnell stumbled in the way of his work; he was greatly disturbed by it. He went home one night with great uneasiness. Something said to him, "You stand right in the way of this work; if you were a Christian, there are dozens of young men in Yale College that would come to Christ." "But," said he to himself, "how can I come to Christ? I don't believe in the Bible, and I don't believe that Jesus Christ is the Son of God. I cannot play the hypocrite so as not to stand in the way of others." He was very uneasy, walked up and down his room thinking about it. Finally, a voice said in his heart, "Horace Bushnell, what do you believe anyhow?" "One thing I believe is that there is an absolute difference between right and wrong." "Well, have you taken your stand on that which you believe? You talk about what you don't believe, think about what you believe. Have you ever taken your stand on right, to follow it where it carries you, even if it carries you over the Niagara Falls?" He said, "No, I never have, but I will." "Good, pray me if Jesus Christ is the Son of God, and if you will show me the way, I will promise to accept Him as my Saviour and confess Him before the world," and in a short time the influence upon Horace Bushnell's awakened soul, and he came out the side of Christ, and almost every young man in Yale College was converted.

Oh, friends, if you say you are a Christian, if you say you are skeptical, if you say you are skeptical, have you ever made an honest attempt to get out of your agnosticism? You have not your agnosticism to excuse, no matter whatever. Ah, some of you men and women in Paducah occupying prominent positions, if you took your stand where you ought to take it tonight on the side of truth, scores of others could come to Christ.

When Mr. Charles G. Finney was preaching at Rochester, New York, in the thirties, a great many lawyers came to hear him, and one night way up in the gallery, sat the chief justice of the court of appeals of the State of New York. As he sat listening to Mr. Finney's tremendous logic, the chief justice of the court of appeals of New York State became satisfied of the truth of what Mr. Finney preached. Then the question came to him, "Will you come to Christ?"

ward like the ordinary men and women to an "anxious seat." Something in him said, "It will never do in the world. You occupy the most exalted position in New York state; you are the chief justice of the court of appeals; it would never do in the world for you to walk down in front, and seek salvation kneeling down at the 'anxious seat.'" He sat there thinking for a while; then he said to himself, "Why not? I am convinced of the truth of that man's position. I know my duty; why should I not do it like any other man?" He got up from his place in the gallery, and went down the stairway, and came up the stairs back of where Mr. Finney was preaching, and Mr. Finney, in the midst of his sermon felt some one pulling on the skirts of his coat. He turned around, and there stood the chief justice of the court of appeals of New York state. He asked, "What is it?" The chief justice replied, "Mr. Finney, if you will call for people to come to the 'anxious seat,' I will come." Mr. Finney stopped his sermon, and said, "The chief justice of the court of appeals of New York state says if I will call for anxious ones to come to the 'anxious seat,' he will come. I call for anxious ones now"; and the chief justice of the court of appeals went down and took his seat on the "anxious seat," and almost every lawyer and barrister in Rochester was converted, and it is said 100,000 people were converted in twelve months in that district.

Ladies and gentlemen, there are some of you here tonight who, if you had the courage of your convictions and came to Christ, not secretly as some of you want to, but walked right out and took your seat down here in front when I called you to do it. It would shake Paducah. Are you men enough to do it? Are you women enough to do it? Your influence may not be as great as that, but all of you have an influence. Will you exert it for Jesus Christ when the time comes tonight?

3. In the third place, every one should publicly confess Christ before the world, because it is the only way to obtain the fullness of blessing that there is in Jesus Christ. In Matthew x, 32, 33, are the words of the Master Himself: "Whosoever shall confess Me before men, him

will I also confess before My Father which is in heaven; but whosoever shall deny Me before men, him will I also deny before My Father which is in heaven." Oh, friends, think of it—to have Jesus Christ confessing you before Jesus Christ the Father in heaven. A little fellow, a wee little fellow, got up at a meeting one night with the tears running down his cheeks—he was a little white-haired Swedish boy—and said, "Friends, if I confess Jesus on earth down here, then will He also confess me up there before the Father," and sat down. That was the best speech that was made that night. Oh, to think of it—to have the Lord Jesus confess your name before the Father in heaven! In our great Civil war, when one of our generals won a victory, it was the custom of the member of congress for his district to propose a vote of thanks to him on the floor of the American congress. It was the highest ambition of generals to be thus mentioned upon the floor of congress. I remember that grand old hero, General Howard, once saying to me, "Torrey, there was one proud day of my life, and that was when a vote of thanks was moved to me on the floor of congress by the whole congress for my stand at Gettysburg." But what is it to be mentioned on the floor of any parliament of congress down here to being mentioned in the court of heaven by the Lord Jesus Himself? And the men and women who confess Jesus Christ down here, Jesus Christ will confess you before God in heaven.

Moreover, when Christ does confess you before the Father, then you will get the fullness of the blessing. When He confesses you then God sends His Holy Spirit into your heart. I remember one night in a mission at Atlanta, Georgia, at the close of the meeting, a young man of about thirty to thirty-five years of age, was brought to me. Some one said to me, "This is one of the leading advocates of Atlanta. He took all the oratorical honors in his university. I wish you would lead him to Christ." I stood a few moments talking to him, then I said to him, "Are you not a Christian?" He said, "No, sir. I am a church member; in fact, I am the superintendent of a Sunday school, but I am not a Christian." "Well," I said, "I know I am." I said, "Do you believe Jesus Christ died for you?" He said, "I know He did." I said, "Then will you take Him for your own Savior tonight?" He said, "Can I do it without feeling?" I said, "Certainly; it is not a question of feeling, but of common sense. Will you take Him?" He said, "I will; if I can. I will." I said, "Let us pray together." We knelt and prayed, and when we got up he said, "I don't feel any different." I said, "I didn't think you would." "But," he said, "a lot of these people say they have such joy." I said, "You have not gone far enough; you have to confess your Lord publicly before the joy comes." Almost everybody had gone out of the big tabernacle; but he said to the few who were remaining, "Friends, I have decided tonight to be a Christian; I have taken the Lord Jesus Christ to be my Savior," and with a few more words he said, "Good night," and went out. Next morning a leading merchant of the town came to me and said, "You ought to have seen what I saw last night when I left this building. I had gone only a short way down the street when I saw . . . leaning up against a lamp-post, I knelt he did not drink; I knew he was not intoxicated. I went up to him and asked him what was the matter and why he was shouting. He said, 'I am so happy, I can hardly stand up.' I saw him that day, and I told him what my friend had told me. I said, 'Mr. . . . said he saw you leaning

against a lamp-post and shouting, and when he asked you what was the matter, you said you were so happy you could not stand up. Is that so?" He said, "It was literally true. Ten minutes after I left you last night, such a joy came over my soul that literally I had to lean against the lamp-post and shout for joy."

I don't know if it will affect you just that way; it never did me; but I will guarantee one thing—that if you will accept Jesus Christ with all your heart and surrender your whole life to Him, and His control, and publicly confess Him before the world, God will send His Holy Spirit into your heart, filling it with a joy that you never knew before.

4. In the fourth place, every man and woman should confess Christ, because it is the only way to be saved. In Romans x, 9 and 10 we read: "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." People say to me, "I don't believe in this standing up and confessing," but I don't care what you believe; the question is, "What does God say?" And God says, "With the mouth confession is made unto salvation." There are a great many people who will tell you if a man or woman believe in Christ in the secrecy of their own hearts they need never say anything about it, for God sees the heart. He does see your heart, and if you do not confess Christ, He sees you have not got any real faith. You say, "Is not a man saved by faith?" Yes, but by real faith, and real faith always leads to mouth confession. We read in the very next verse of this chapter, Romans x, 11: "Whoso believeth on Him shall not be ashamed." If you are ashamed to confess Him you do not believe on Him. A faith that does not lead to confession will never lead to heaven. There will be no sneaks and cowards in heaven. Jesus Christ says in Mark viii, 38: "Whoso shall be ashamed of Me and of My words, of him also shall the Son of Man be ashamed, when He cometh in the glory of His Father with the holy angels."

5. Once more, every man and woman should confess Christ for common decency's sake and self-respect's sake. When you and I stop to think what Christ has done for us; how He left heaven with all its glory and came down to earth with all its shame; how He was scourged and crowned with thorns; how He bore shame and reproach; how He was spat upon and buffeted and nailed to the cross for you and me; how, although He was rich, yet for our sake He became poor, that we through His poverty might become rich; how, though being in the form of God, He thought it not a thing to be cramped to be equal to God, but humbled Himself and took upon Himself the form of a servant, and was obedient even unto death, yea, the death of the cross; how He was wounded for our transgressions, and bruised for our iniquities—if, men and women, knowing that, you will not confess Jesus Christ because of the fear of man, or fear of loss in business, or fear of loss of caste in society, then you are a coward, a poltroon, an ingrate of the basest and blackest kind. You cannot get around it; you know it is God's truth. I cannot see how any intelligent man or woman can hear in mind what Jesus has done for them, and then not confess Him, and still retain their self-respect.

We have some things we are proud of in America, and some things we are ashamed of. One of the things we are proud of in America is this, that all boys and girls in America can get a university education; that the son of the farmer and the day laborer and the washerwoman can get a university education as well as the child of the millionaire. Any boy or girl that is worth educating can go through all degrees of learning in America. Since I have been in Chicago, the grandson of a man who used to work for us at home as our gardener, when I was a boy, has been the mayor of the city of Chicago and the son of a woman who used to be the cooking in our kitchen has occupied another high position in the city. I rejoice in it; it is one of the things that make me glad to be an American. In North Carolina, one of the poorer states—poor financially but rich in men—there was a farmer who had a bright boy. He had a poor farm, but he said, "My boy is going to get just as good an opportunity as a millionaire's son;" and that poor farmer worked and scraped until he was able to send that boy to the State university. The boy did well, and his letters home delighted his father's and mother's hearts, and they felt well paid for all their sacrifices. But after awhile the father's heart grew lonely, and he said to his wife, "Mother, I cannot stand it any

longer; I just must see the boy." It was a long way from the farm to the university, and he loaded his wagon and started on his long drive, and as he drew near to the town he said to himself, "Well, won't the boy be surprised! He don't know I'm coming. Won't he be delighted to see his old father?" He whipped up the old team and hurried on, and entered the town. He was driving up the hill to the college, and as he went, whom should he see coming down but his boy with some gay college companions. The old man was driving slowly, for it was up hill, but when he saw the boy he jumped out and rushed up to him and said, "Oh, my boy, my son!" The son was ashamed of his poor father, and he straightened himself up and said, "There must be some mistake, sir; you are not my father. I don't know you." I am told—I don't know it to be positively true—but I am told that father turned around with a broken heart

and went home to die. I can well believe it. It would break my heart for my boy to treat me that way. Men and women, what do you say to a boy like that? I say he ought to be horsewhipped. I say he was an infamous ingrate. But I want to say that he was not so infamous as I think he was. He was a boy who was grateful as you men and women in this hall tonight, who know that Jesus Christ poured out His life unto death on the cross of Calvary, and who are so mean and contemptible and cowardly that you won't stand up and confess Him.

I am not going to stop with that story. It is too dark. I am going to tell you another—and thank God it is true—of our home land. A poor woman in one of our towns, who had to work for her living, for she was a widow—she took in washing, I think—had a boy, and he was a bright boy and proved a bright man. I think some of you have heard him. He sent her boy to school. He went

through the schools, did well, came out at the very top of his class, the highest position, and took a gold medal for special excellence in study. The day he was to graduate he said to his mother, "You know, I graduate today, mother." She said, "Yes, I know." "Well, get ready," he said, "it is time to get off to the church"—where the graduating exercises were to be held. "Oh, my boy, I cannot go up there," she said; "I haven't anything fit to wear. Why, all the finest people in the town will be there. You would be ashamed of me if I went." "Ashamed of you, mother?" he said, "never! I owe all I have in the world to you. What is more, mother, I cannot graduate unless you do go; and I won't!" And he helped his mother to get ready, and pinned the old faded shawl around her, and made it look as good as possible, and put on her plain old bonnet, and took her on his arm, and walked down the main street with
